

CORPORATE SHOOTING DAY

Your opportunity to use powerful military weapons in a safe and controlled environment with one-to-one supervision.

This exclusive, unique event brings together business leaders and professional soldiers to raise much needed funds for our wounded. Weapons include: semi-automatic 9mm pistols, assault rifles and machine guns. First class hospitality is provided throughout the event and the day rounds off with a superb dinner, celebrity guest speaker and charity auction of lots that include once in a life time experiences exclusive to this event. Money raised from the auction goes to Help for Heroes.
